

Hello, and welcome to Bright Star Academy Schools! My name is Tonya Stump. I am the founder and CEO. For over a decade I have been providing the highest quality of care and learning for young children.

As a working mother of four, I realize how difficult and important it is to find exceptional child care for your little one. Entrusting your child to someone else's care is one of the hardest things a parent has to face. However, knowing that your child will be given an abundance of love, attention and nurturing in an educational, eco-friendly, clean and safe environment can help to make the transition a little easier.

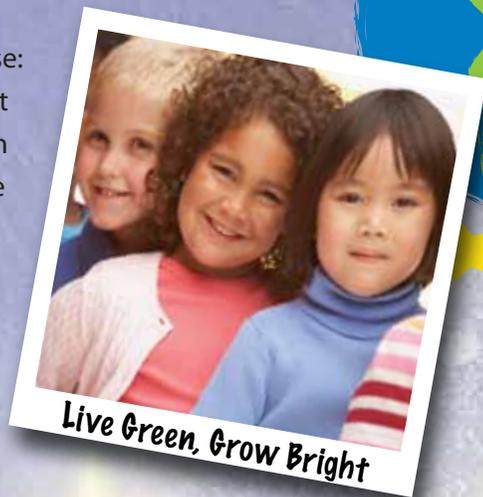

In 1995, I began my journey of developing the perfect center for my children. I soon realized that I was not alone in my needs as a parent. Our child care center grew to include several locations in the central Ohio area with an outstanding reputation for high quality education and care.

As I began to consider my next adventure, it was my son who inspired me to think about what had changed since I had first ventured into the childcare industry. Certainly parents still wanted the best practices in curriculum, staffing and security, but I also noticed that the modern day family was more environmentally conscious than ever before. Protecting our planet and conserving precious resources for our children's future is a top priority for today's parents.

The Bright Star Academy School was created to support this cause: "Live Green, Grow Bright, One Little Star at a Time." This statement is more than just a slogan, it is my promise to the next generation and what better place to start than in my home state, deep in the heart of Texas! I sincerely hope you will come and see for yourself all the wonderful amenities Bright Star Academy Schools has to offer.

Make Every Day Bright,

Tonya Stump

Exceptional Education and Care

Class	Age	Ratios
Infant	6 wks – 1 year	1:4
Toddler	1 – 2 years	1:5
Early Preschool	2 – 3 years	1:6
Preschool	3 – 4 years	1:12
Pre-Kindergarten	4 – 5 years	1:14
School-Age Enrichment	5 – 11 years	1:18

Our teacher to child ratios are lower than required by the State of Texas, allowing more one-on-one time in dynamic, small group settings.

Bright Star Academy Schools, LLC is a private, locally owned company. Our schools are not franchises.

We design, own and operate all our state of the art facilities.

School Hours

Bright Star Academy Schools are open 52 weeks a year, Monday through Friday, 6:30 a.m. to 6:30 p.m.

Exceptional Early Childhood Education
Infant ★ Toddler ★ Preschool ★ School-Age Enrichment

**Welcome to Bright Star Academy Schools,
Here Everything is BRIGHT!**

Bright Star Academy

Our Mission and Five Star Commitment

Bright Star Academy School was founded to help today's children "Live Green. Grow Bright. One Little Star

at a Time." This commitment to protecting our planet and conserving precious resources is our promise to the next generation.

Committed:

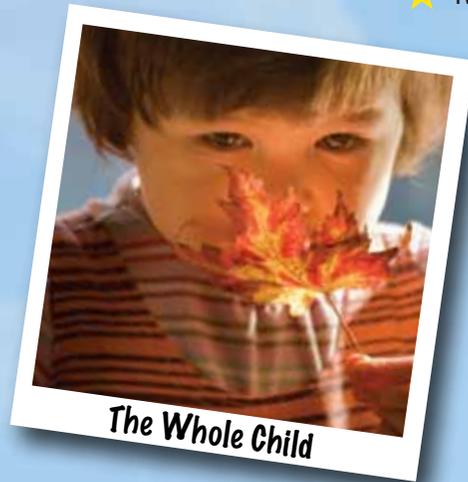

★ To providing a warm, loving, eco-friendly atmosphere that promotes each child's exploration, language, critical thinking, questioning and discovery skills.

Devoted:

★ To each unique child, their happy environment and successful future.

Our Whole Philosophy

Through a balance of physical, emotional, social, mental and cognitive growth, we place an emphasis on the development of the whole child.

The Whole Child

Our Bright Vision

We are dedicated to helping children discover how best to value our shared environment, respect our natural resources and "grow up green!"

Grow Up Green

The Bright Star Difference

Inside our magnificent 17,000 square foot facility, you will be star struck by a spectacular environment where your child will experience the highest caliber education and care.

Safe and Secure

For added security, our facility features:

- ★ Fingerprint digital coded entry.
- ★ Recorded camera surveillance of your child's daily activities in every room, with a 20-screen parent viewing area.

Our Stellar Staff

Bright Star Academy staff members are meticulously selected for their early childhood education and child care experience, warmth and sensitivity, communication skills and trustworthiness. We believe that our staff is our greatest asset, and we hope that you will too!

Our Stellar Staff

Eco-Focused Classrooms

Learn in an environment filled with educational materials, toys, games and an abundance of natural light to enhance enchanting murals designed in appreciation of our planet earth.

★ Under the Sea Library and Computer Lab

Develop computer skills on Apple computers in a magical library filled with an extended collection of children's literature, games and a 300-gallon fish tank.

★ Rainbow's End Art and Animal Science Studio

Combine art and nature for exceptional hands-on learning! Nurture artistic talents with painting, drawing and sculpture, and learn firsthand how to care for exotic pets from around the world.

★ Shooting Star Movie Theater, Dance Studio and Drama Stage

Bring educational programs to life on a big screen movie projector, and here your little star can explore their expressive talents on a drama and dance stage complete with costumes and props.

★ Outer Space Indoor Playground and Lunar Moon Sand Corner

Nestled at the center of the school is a fantasy space playground for those days when Mother Nature just won't cooperate, featuring an amazing indoor sandbox for digging and play.

★ Farmer Fields Organic Cafeteria

Whether it's time for snack or a complete lunch, our on-site chef prepares delicious, nutritious and child-friendly meals featuring a variety of fresh organic foods.

★ Mother Nature's Nursing Nook

Hide away in a cozy, warm and private nook where bottle-feeding parents and nursing moms can spend some quiet time bonding with baby before work or in the middle of a hectic day.

★ Life Outdoors

Explore the "Ocean," take a safari in the "Jungle," cross the "Desert," splash splash in the "Lilly Pad Water Play Pond," or learn and grow in our organic garden! Our "Green" themed playgrounds are built primarily from recycled materials.

For Our Families
